EXPERIENCE

Zedi Africa — Frontend Developer

July 2022 - PRESENT

Technologies: HTML, CSS, Javascript, React, Next.js, Tailwind CSS

- Collaborate with the team to define, design and ship new features.
- Worked with the senior developer to create a new website from scratch using Next js and Tailwind CSS.
- Developed and maintained legacy applications.
- Analyzed UI/UX design for responsive layout for improved usability.
- Write reusable, performant code for a diverse array of client and internal projects.

ExchangePal, Canada — Frontend Developer

February 2022-June2022

Technologies: HTML, CSS, JavaScript, React, Next.js, Tailwind CSS

- Translate designs to extendable, maintainable code for the ExchangePal website.
- Collaborated with the team to identify pain points and design new features that enhanced the functionality and usability of the admin dashboard.
- Implement performant solutions to enhance optimization for maximum speed and scalability.
- Performing bug fixes and code reviews.

Gray Tiger Limited, UK, — Front-End Developer (Contract)

August 2021 - January 2022

Contracted to build a mobile-friendly, inclusive e-commerce platform for a UK-based drink distributor.

Technologies: HTML, CSS, JavaScript, React, Tailwind CSS

- Created the design and implemented new features for both the user and the admin side of the e-commerce platform
- Integrated Stripe to enable secure, global checkout
- Set up Supabase to manage product orders and administrative workflows
- Ensured that all code is well documented, reusable, efficient, and follows best practices

PERSONAL PROFILE

As a focused Front-end developer, I consistently deliver logical and innovative solutions to complex problems. With a passion for learning and growing in a collaborative team environment, I have built more than 3 live projects that showcase my skills and dedication to my craft.

Through my projects, I have honed my skills in HTML, CSS, JavaScript, and front-end frameworks such as React Next.js, Astro, Tailwind CSS, Chakra ui and so on . I have a keen eye for design, ensuring that the user experience is seamless and enjoyable.
